

MeowMeow Is Lost

We believe she was lost at the Sherman Summit Rest Area on I-80, near Laramie, or on Lori Rd in Cheyenne, Wyoming. She was last seen on June 27, 2021. MeowMeow is four and a half years old and has traveled all of her life. She is not afraid of new places or people or vehicles. If you see MeowMeow, or if you have her, please contact Cheryl at 1-719-989-0154

She was not wearing her harness.

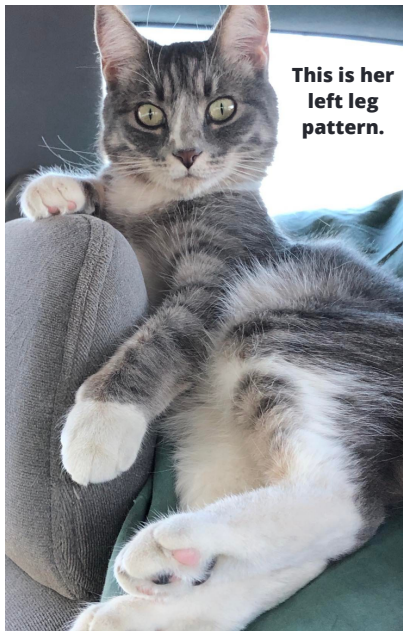

She has a distinctive white streak on the right side of her nose.

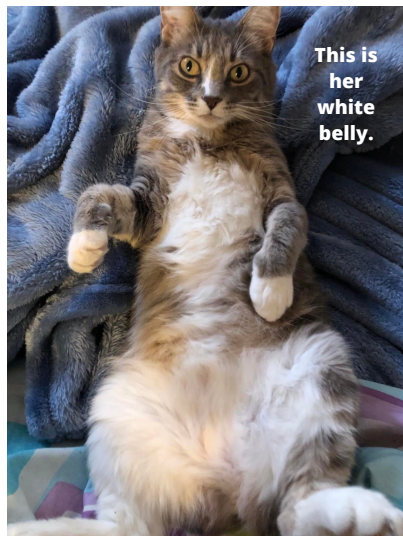

MeowMeow is spayed, not chipped at the time, but could be chipped now. She is very friendly.

MeowMeow is grey with white paws and some tan/brown.

This is her left leg pattern.

This is her white belly.

She has a white chin and upper chest.

Please post or text or email a picture if you see a cat that looks like her.**

I understand that someone probably has her, and they might not want to give her up. If this is the case, I promise you that she will forever be a part of your family. We will work it out. Please call me. Cheryl 719-989-0154
I am completely broken without her. Please help me find my Little Girl.
